

**Southborough Senior Center**

# **Bonsai Basics Workshop**

**Date: Friday, March 26th**

**Time: 9:00am—12:00pm**

**Suggested Donation for Materials is \$18.00**

**New England Bonsai Gardens just celebrated the 22nd year of excellence in Bonsai education. They are bringing their expertise in hosting a workshop that will help participants learn the basics of bonsai care. The instructor will guide you through the pruning, trimming and transplanting of their bonsai. Participants will go home with their own beautiful bonsai, complete care instructions and the knowledge and confidence to keep it thriving. This workshop lasts between two and three hours. There is a maximum of 12 participants. Please sign up early to secure your seat in the workshop.**
