This enjoyable comedy features Connor Mead (Matthew McConaughey) as a notorious photographer who has a bad boy reputation of loving women and dumping them when they fall in love with him. Beautiful models and celebrities flock to his studio go get their picture taken, usually in lingerie and throw themselves at him. His brother Paul (Brecklin Meyer) is about to get married and Connor thinks he is making a terrible mistake. As an incorrigible bachelor, Connor loves his freedom more than ever settling down and loving only one woman. The night before the wedding, Connor is visited by three ghosts, who take him back to his past, present, and his lonely future. Maybe there is the time to change him into a sensitive, feeling, and caring person that he once was and he may even find his true love
